

Online Resources

These can be found through the Resources tab in your **connectSC** account

- **Artsearch**
This National Employment Bulletin for the Arts includes current job and internship postings in arts administration, production, and artist and arts education.
- **Bridge Worldwide Music Connection**
This online music connection provides access to thousands of opportunities for musicians in performance, composition, teaching, competition, administration and more.
- **Candid Career**
Gain access to career advice from USC Alumni and other industry professionals and see it all on video! This tool features informational interviews to help you discover and explore many career options.
- **Career Access Resource Library (CARL)**
CARL allows you to search hardcopy and online resources for your graduate school, internship, fellowship, and career exploration. Search from over 20 categories for periodicals, websites, and books.
- **CareerBeam**
A full-service career development portal designed to provide all the resources necessary to guide individuals through strategic job search process and achieve their career goals. Search by industry, career title or keywords.
- **Case Questions Interactive**
Case interviews are common in fields like consulting, business management, technology and marketing. Case Questions Interactive provides helpful practice through drills, frameworks, videos and tips for business-oriented example questions in management consulting and technology.
- **Connecting Majors to Careers: What Can I Do With This Major?**
Learn about typical career areas and the types of employers that hire people with each major, as well as strategies to make you a more marketable candidate. The resource includes related professional associations and popular job search links related to the those career areas.
- **Crocker Business Library - <http://libguides.usc.edu/business>**
Through the Crocker Business Library, you can access multiple additional resources. Click on the Business Databases tab for access to LexisNexis Academic, Mint Global, ReferenceUSA, the Gale Virtual Reference Library and many others.
- **Glass Door**
Career community offering the world an inside look at jobs and companies utilizing "employee generated content." Find anonymous salaries, company reviews, interview questions, and more, all posted by employees, job seekers, and sometimes the company themselves.
- **GoInGlobal - Country and City Career Guides**
This career and employment resource includes more than 10,000 pages of constantly-updated content on topics such as: job search sources, work permit/visa regulations, resume writing guidelines and examples, salary ranges, networking groups, cultural/interviewing advice, H1B employer listings and more!

more ...

- **Hoovers**
This database has information on companies around the world; it enables you to specify variables such as company location, size, industry, type, people, financial data and specialty criteria.
- **iNet Internship Consortium**
The portal attracts employers from across the country to post internships that are available to students from a select group of universities.
- **Jobipedia**
Students and recent graduates can ask questions about job searching and get answers directly from experienced recruiting professionals at America's top employers.
- **NACE Salary Calculator**
This tool creates the most accurate compensation and employment guidance available relating to your education, employment history and other factors.
- **O*Net --** For access to O*Net please visit: <http://www.onetonline.org>.
This website is an interactive application for exploring and searching occupations and their related titles. The database also provides the basis for our Career Exploration Tools, a set of valuable assessment instruments for workers and students looking to find or change careers.
- **Uniworld Online**
Find comprehensive and up-to-date company contact information in this expansive international business database. Use this database to build and export lists of businesses and possible subsidiaries operating in the USA and abroad.
